WRITING

Ocean's Eight

I'd like to tell you about my favourite film. There are a lot of films which people like very much. Some body likes horrors, dramas, comedies. As for me, I know lots of films which are very interesting and amazing. It doesn't depend of genre. Documentaries, thrillers, comedies - no matter. I like horror films but my favourite one is action. It is called "Ocean's Eight". I like this film very much because it's so ~~was~~ exciting and interesting. Also I like the film because of favourite talented woman - Rihanna. She is a singer and actor. I'll be very happy if I meet her due to the fact that I love her very much. Besides, this film has lots of funny moments when you can laugh. That's why I recommend this film everybody even my classmates.
